Agenda Item #2: Public Comment

There was no public comment.

Agenda Item #3: Website Update

Jeffrey Fowler conveyed the research he gathered on North Shore Solution's website proposal. He received excellent reviews from towns and villages that used the company and found no red flags. Devon Fetzer noted that it may be best practice to break the payments down in thirds. One third up front, one third as the work progresses and one third when the website goes live. Jan Tighe made the motion to approve working with North Shore Solutions to upgrade the Village's website if the company agrees to breaking down the payments as above. Melissa Wadkinson seconded the motion, and it passed 5-0. If North Shore Solutions does not agree to the payment breakdown Civic Plus is the second choice for the website upgrades.

The Board will also be gathering more IT information locally.

Agenda Item #4: Tug Hill Commission Meeting

Jan Tighe attended the Tug Hill Commission Meeting on September 16 and noted that that a survey of all the COGS top three complaints was the following:

- ATV's
- Zoning
- Dog control and retaining the younger generations in the community.

Agenda Item 5: Adjournment

Jan Tighe made a motion to adjourn the meeting at 5:13 PM. Devon Fetzer seconded the motion, and it passed unanimously.

The next regular meeting and public hearing will be Tuesday, October 13, 2026, at 7:00 PM.
