There were no public comments.

Robin Ford moved to accept the minutes of the February 15, 2024 meeting, seconded by Bob North. All in favor.

The terms of Bob North and Margaret Weigel are due for renewal on this committee. Both agreed to another 2 year term ending in 2026.

A site plan for the sign for a new business at 4885 N. Jefferson Street. The mayor asked for a definition of exotic snacks since this is to be a grocery store selling basic grocery items, snacks, beverages and tobacco. The general consensus of the committee was that their proposed sign was too bold for our historic district. We recommended that they remove the orange, use maroon printing on a white background. Their intention was to capitalize on the school colors while our intent is for historic colors to be used in the historic district. Robin made a motion to allow the store opening before final approval of the sign (presentation of a proof with a change in colors before sign is made and approved by this committee is required). Tammy seconded the motion. All approved.

No other business was brought forth.

Robin moved to adjourn the meeting, seconded by Bob at 6:40PM

Respectfully submitted,

Margaret M. Weigel

Secretary
