

**RESOLUTION SETTING STATUS UNDER SEQR
AND ASSUMING LEAD AGENCY STATUS**

Storm Water Improvements

WHEREAS, the Village of Pulaski, hereinafter referred to as the "Village", is proposing to cause to be constructed a storm water improvements project to serve Village residents, businesses, and institutions; and

WHEREAS, the Village of Pulaski Village Board must evaluate all proposed actions submitted for its consideration that may affect the environment in light of the State Environmental Quality Review Act (SEQRA) and the regulations promulgated thereunder; and

WHEREAS, the involved agencies [as that term is defined in 6(A-2) NYCRR 617.2(t)] include the New York State Department of Health and the New York State Department of Environmental Conservation, and the required environmental review will be conducted solely by the Village of Pulaski Board; and

WHEREAS, the Village of Pulaski Village Board desires to serve and act as the lead agency for the purposes of SEQR; and

WHEREAS, to aid the Village of Pulaski Village Board in determining whether the Action may have a significant impact on the environment, a Full Environmental Assessment Form dated 4/11/22 has been prepared by the Village and a copy of which has been filed with the Village Clerk.

NOW, THEREFORE, BE IT RESOLVED by the Village of Pulaski Village Board that:

The Village of Pulaski Village Board makes the following findings and determinations with respect to the proposed project:

The project constitutes an "**Type I Action**" as that term is defined in Section 6(A-2) NYCRR Section 617.2(kk) and 617.11;

The Village of Pulaski Village Board desires to serve as lead agency for the purposes of SEQR.

The Village Clerk shall cause the New York State Department of Environmental Conservation and NYS Department of Health, as the other "involved agency" to be notified of this resolution.

This resolution shall take effect immediately.
