

**Pulaski Sewer Board
May 8th, 2025**

The regular meeting of the Pulaski Sewer Board was held duly on the 8th of May at 4:00pm in the auditorium of the Snow Memorial Building, 4917 N Jefferson Street, Pulaski, NY.

Sewer Board Members: Chairman, Craig Waite; Commissioner, David Allen

Village Officials and Staff: OMI, Jasin Fernandez; OMI, Dean Merritt; OMI, George Dibble; DPW Supervisor, Dustin Wood; Village Clerk/Treasurer, Cathy Spinney; Account Clerk, Amanda Bennett

Guest(s): Cathleen and Richard O'Hara

Public Comment:

Residents at 32 Bridge Street spoke with the Sewer Board and just wanted to keep them in the loop, regarding what is still going on with their pipes, since the new pump station has been put in. They were not sure what the sewer board wanted them to do.

Agenda Item #1: Review and Approval of Minutes from April 10th, 2025:

David Allen made a motion to approve the April 10th, 2025 Sewer Board minutes, Craig Waite seconded the motion, motion carried.

Agenda Item #2: Staff Activity Reports

Craig Waite made a motion to approve the DPW and WWTP staff activity reports. David Allen seconded the motion. Jasin stated that in the month of April, they treated 13.97 million gallons which is an average of 465,000 gallons per day. The current sample results are 89.8% removal for BOD and 96.7% removal for TSS.

On Apr 1, 2025, Hubbard construction disposes of chemical containment tanks by cutting them into 1'x 3' pieces and tossing them into a dumpster. On April 3rd, 2025, there was a power outage throughout most of the Village at approximately 1:15am. WWTP and Pump station checks show all generators working properly.

On Apr 14, 2025, John West from Koester was on site to troubleshoot UVI sensor faults. Adjusted UVT to 80% from 65%. On April 18, 2025, there was an analytical balance failure, so they ordered a new one. Apr 28, 2025 Aqualogics was on site for cellular data antenna installation and removal of old sense phone devices.

They performed all preventative maintenance tasks for the month of April. The wastewater treatment plant is operating in full compliance with the SPDES permit.

Jasin stated that they did the delivery for the new transfer switch at 81 Pump Station. He said Scriba electric and Spencer electric will give quotes to install the new transfer switch.

Jasin stated that he spoke with Cathy regarding taking the old pumps and selling them on eBay since Auction International does not handle that kind of sale. Jasin is hoping to get a little bit of money from selling the pumps. Motion passed with all in favor.

He noted that the heat pump is not installed yet at the treatment plant, as they are trying to get all the chemicals out of the room.

Agenda Item #3 Voucher and Review of Payments:

David Allen made a motion to approve May 2025, Sewer Fund abstract #12 in the amount of \$27,121.72 and Wastewater Improvement Project abstract #12 in the amount of \$103,256.74 motion carried.

Draft

Agenda Item #4: Review and Approval of Treasurer's Report

Craig Waite made a motion to approve the April 2025 treasurers report for the Sewer Fund and Wastewater Improvement Project, David Allen seconded the motion, motion carried.

Agenda Item #5: Old Business

a. WWTP & Sewer Project:

Jeffrey stated that since the storage tanks have been disposed of, he will do the forms for the DEC that is required. He heard back from the DOT on the report that was submitted. He stated that he was told to send his design drawings to them.

7. Adjournment - Next meeting Date: Jun 12, 2025

David Allen made a motion to adjourn at 4:45pm, Craig Waite seconded the motion, motion carried.

Presented & Approved

Account Clerk, Amanda Bennett
